

Retro Video Game Revival - A Survey

Hi all! I am conducting a short survey about classic video games and game consoles for a synopsis I am writing about the revival of classical video games as part of my studies. The aim of this survey is to see which game genre and game consoles are most popular in comparison to age groups, genders and regions, as well as awareness of the popularity of the retro trend in relation to this subject.

Did you know?

7. From the previous list, are you aware that many titles are still around today? Through new titles, spin-offs etc...

Mark only one oval.

- Yes
- No

8. Did you know that many video game publishers are re-launching classic game titles?

Mark only one oval.

- Yes *Skip to question 9.*
- No *Skip to question 11.*

If yes:

9. Why do you think video game publishers are doing that?

Tick all that apply.

- They ran out of ideas
- Because of popular demand and pressure from public
- They see potential return on investment
- They feel nostalgic
- Other: _____

10. Can you think of any other reasons?

Skip to question 12.

If no:

Yes, due to popular demand and the retro trend is back, video game publishers are recreating classic video game titles as well as designing new titles with classic style. Here's an article from Business Insider. Have a look if you like:
